

ESOS Phase Two - Qualification Criteria

All organisations in the UK that are considered large undertakings come under the scope of ESOS. Unsure if your organisation qualifies? The following diagram will help you establish whether, for the purposes of ESOS, your organisation is considered a large undertaking.

Criteria One

Do you employ 250 or more employees?

- ✓ You are in the scheme
- ✗ You don't qualify for ESOS under criteria one

OR

Criteria Two

Is your turnover more than €50 million and your total asset value on your company's balance sheet worth more than €43 million?

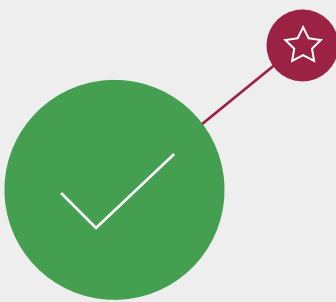

- ✓ You are in the scheme
- ✗ You don't qualify for ESOS under criteria two

OR

Criteria Three

Are you part of a corporate group that includes an organisation, which meets criteria one or two?

- ✓ You are in the scheme
- ✗ You don't qualify for ESOS under criteria three

NB: Organisations subject to the Public Contracts Regulations 2006 or Public Contracts Regulations (Scotland) 2012 are exempt from the scheme.
